

15 Ways To Get A Free Amazon Gift Card

Are you a fan of shopping on Amazon? A free Amazon gift card while shopping online could enhance your experience even further. These gift cards or vouchers can be used to purchase a wide range of items on Amazon, making them almost as good as cash.

Thankfully, numerous effortless ways exist to obtain a free Amazon gift card, and everyone can take advantage of these opportunities. In this article, we will explore over 20 different approaches to acquiring these digital gift cards or vouchers, organized into various categories for ease of reference.

If you're looking for a quick way to get a \$20 Amazon gift card in the next 10 minutes, the finance app Empower is currently offering one to new users who sign up and link at least one bank account or financial account to the app.

Online surveys are one of the simplest ways to obtain a free Amazon gift card online. Numerous websites and applications offer paid surveys to collect your feedback and opinions in exchange for payment. Most of these platforms provide the option to receive a gift card as compensation.

In addition to completing surveys, many of these websites and applications offer alternative ways to earn money or points, such as watching videos, downloading apps, shopping online, or trying free offers.

Get a free Amazon gift card with these:

1. Swagbucks

- Swagbucks is a top survey website due to its diverse earning opportunities. Users make money by taking paid surveys and collecting Swagbucks, or SB, by watching videos, using the search engine, claiming special offers, shopping online, and playing games.
- Similar to Rakuten (formerly called Ebates), Swagbucks offers cashback on qualifying purchases. A browser extension notifies users of cashback offers when visiting supported websites.
- Once users earn some SB, they can redeem it for PayPal cash or free gift cards. Taking advantage of occasional sales that allow gift card purchases with fewer SB is a smart way to stretch earnings. For example, when I wrote this, there was a 12% discount on free Amazon gift cards.
- New users get a \$10 bonus when signing up, which can be used to quickly acquire a free Amazon gift card.

2. IndoxGollars

- InboxDollars and Swagbucks have the same parent company, and InboxDollars is comparable to Swagbucks.
- By signing up for a free InboxDollars account, you can make money (or receive a free Amazon gift card) through various activities like taking surveys, watching videos, playing games, opening emails, and taking advantage of exclusive offers. Despite being owned by the same company, both sites have unique offers, so it is advisable to register for both.
- One of the things I like the most about InboxDollars is its exclusive offers. You can earn money by downloading free applications or taking advantage of other free offers, and some offers may require purchasing something or trying out a subscription. Additionally, offers that reward you for charitable donations to specific organizations are available.
- Once logged in, the dashboard displays the latest and most popular offers.
- By browsing through these offers, you can quickly find a few easy ways to make money.
- You can receive your earnings in cash or a gift card, including Amazon. As a new user, you can get a \$5 signup bonus from InboxDollars. The bonus

will be added to your account balance and can be redeemed with your first reward.

3. MyPoints

- MyPoints is a similar option to Swagbucks and is owned by the same parent company as Swagbucks and InboxDollars.
- You can earn money or an Amazon gift card by taking paid surveys, shopping online, watching videos, playing games, and more on MyPoints.
- You can redeem your points on MyPoints for a free Amazon gift card.
- MyPoints has a browser add-on that notifies you of cashback opportunities while browsing, just like Swagbucks.
- The “Daily 5” feature on MyPoints allows you to earn bonus points each day by completing at least 5 tasks from a list.
- You can get bonus points daily by completing the Daily 5, which helps you stay active and earn more points.
- New users can receive a \$10 Amazon.com gift card as a bonus from MyPoints.

4. Survey Junkie

- Survey Junkie is a survey site that focuses solely on surveys.
- It has a good selection of surveys available, and each survey lists the number of points you can earn and how long it will take to complete.
- If you find a good survey with high points and a short completion time, take it quickly.
- Once you earn a minimum of \$10 points, you can redeem them for gift cards or cash through PayPal or bank transfer.
- Survey Junkie is one of the best survey sites if you’re looking for a reliable and straightforward way to earn money.

5. Rakuten Insight

- Rakuten Insight is a survey-focused website similar to Survey Junkie.
- Users can create a free account and log in anytime to access the available surveys.
- Adding Rakuten Insight to your survey options can increase your earning potential.
- Users can redeem earnings for PayPal cash or an Amazon gift card.

6. Branded Surveys

- Branded surveys are a great way to earn a free Amazon gift card in your free time.
- The site specializes in survey offers and doesn’t offer other activities like playing games, downloading apps or watching videos.
- You can earn points by completing surveys on the site, which you can redeem for gift cards or cash.
- If you enjoy taking surveys, registering for branded surveys is a must.

7. Kashkick

- KashKick provides a great opportunity to earn gift cards through simple surveys.
- Besides surveys, KashKick offers other ways to earn points, such as watching videos and browsing the web.
- However, surveys are the primary means of earning points on KashKick.

- It is important to note that the number of available surveys may be limited on survey websites.
- To maximize earnings, signing up for multiple survey sites is recommended.
- KashKick rewards points can be exchanged for cash or various gift cards.

8. YouGov

- YouGov offers a unique selection of surveys compared to other survey sites.
- You may encounter surveys on topics such as politics, sports, and entertainment at YouGov.
- Users may find these surveys more enjoyable or engaging than others.
- You can redeem your earnings for rewards, including Amazon gift cards, after participating in surveys on YouGov.

9. Ibotta

- Ibotta is a cash-back app that's widely popular and helps you save money on your purchases.
- The app offers cashback deals on various products from a range of stores, with the offers being updated frequently.
- You'll find many offers at grocery stores and department stores like Walmart.
- To save money, all you need to do is select the offers you want, scan the receipt, or link your loyalty card to Ibotta after shopping.
- Ibotta also provides cash back on online purchases made through the app.
- Sometimes, you can get significant cashback offers. For example, I earned \$5 in cash back for a \$25 online purchase that I redeemed for an Amazon gift card code.
- You can redeem your earnings via PayPal or select from different gift card options, including Amazon, once you've earned at least \$20.

10. Drop

- Drop is a cashback app that enables users to earn rewards from various stores, websites, and restaurants, such as an Amazon gift card.
- To begin using Drop, you can sign up for free and connect your credit cards to the app.
- After linking your cards, any purchase you make at a participating store/website/restaurant will automatically credit you with cash back.
- With Drop, redeeming your points for gift cards, including Amazon, is simple and hassle-free.
- The app's automated system makes it effortless to earn cash back, requiring only sign-up and card linking.

11. TopCashback

- TopCashback ranks among the leading cashback apps/websites due to its impressive features.
- Thousands of retailers and websites participate in the Top Cashback program, making it effortless to earn cashback or an Amazon gift card for numerous online purchases.
- TopCashback distinguishes itself from other cashback apps/websites with its exceptional offers, often featuring the highest percentage of cashback.

- By signing up for a free account with TopCashback, you can optimize the amount of money you save on your online shopping.
- You can redeem the money you save/earn through TopCashback for various rewards, including Amazon gift cards.

12. CoinOut

- CoinOut is a cashback app that is effortless to use.
- There is no need to browse the app for special deals or alter your shopping behavior.
- Simply scan your receipts after shopping.
- The app awards points based on the receipts and transactions shared.
- Once enough points are accumulated, they can be redeemed for various gift cards.

13. FetchRewards

- Fetch Rewards is a cashback application specializing in providing savings for grocery purchases.
- This app is highly recommended for anyone who wants to save money on groceries.
- One of the key benefits of using Fetch Rewards is its user-friendly interface.
- Simply scan your grocery receipts using your smartphone, and the app takes care of the rest.
- You earn points for any eligible products purchased, which can be redeemed for various rewards.
- Some of the rewards available include a free Amazon gift card.

14. Receipt Hog

- Receipt Hog enables users to earn points by capturing photos or scanning receipts.
- Users can earn points from almost any receipt without linking credit cards or claiming specific offers.
- While it may take longer to accumulate substantial points, Receipt Hog offers a free Amazon gift card.
- Cash-back apps like Ibotta may require more effort but potentially yield greater rewards.
- Points can be redeemed for various prizes, such as Amazon gift certificates.

15. MobileXpression

- MobileXpression is a research company that rewards users for sharing their mobile internet browsing activity.
- Signing up and installing the free app on your mobile phone is all you need to do to earn credits.
- You'll earn credits every week that the app is active, and you can redeem those credits for gift cards.
- Once you have at least 30 credits, you can redeem them for a \$5 gift card. However, waiting until you have 50 credits to redeem them for a \$10 gift card is better.
- If you choose the \$10 gift card, you can earn about \$50 in gift cards per year without any significant effort.

- MobileXpression is currently offering a signup bonus of 25 points. This means that after one week, you'll have 30 points to redeem for a free \$5 Amazon gift card.

Conclusion

There are many ways to obtain a free Amazon gift card. From taking surveys and participating in online market research to using cash-back apps and credit card rewards, there are various methods available to consumers.

By utilizing these techniques, individuals can accumulate gift cards without spending any money out of pocket. While the amount earned may vary depending on the method, with persistence and effort, this free Amazon gift card can add up and be used to purchase various items on Amazon.

It is important to note that some of these methods may require time and effort, but the payoff can be well worth it for those looking to save money on their Amazon purchases.
