### Best apple watch deals:

It is always best to buy the apple watch that you can afford and the ofcourse the newest version so that it continues to receive software updates from Apple. The latest update is the apple watch OS9 which is launched on the Apple watch series 4 and the newer models that were launched in September about those no one can say they will get the next big software update .Also you must keep in mind that the discount on Apple watch is happening for the newer models and the not the older ones.

The best apple watch deals start with the apple watch series 8 that represents the latest wearables in the Apple's Flagship Series Lineup. It has a new chip set, new temperature sensors, that enables menstrual tracking. Crash detection along with other enhancements in this latest model of apple watch. The Apple watch series 8 has subtle improvements but is not different to its prior model Apple watch series 7. There was a recent drop in price on the Apple watch series 8 which was \$349, but the 41mm model with GPS is currently on sale at Best Buy, Amazon, and you can also try for more apple watch deals and get your apple watch on even discount during the black friday apple watch deals, as you will get considerable discount on the apple watch that you want to buy.

If you are someone who is looking to pick up an unlocked LTE-equipped model then the Best buy and Target are offering the same \$70 discount on both the 41mm configuration (Best Buy/Target) and its 45mm variant (Best Buy/Target) which starts at \$429 and \$459, respectively.

#### **The best Apple Watch Ultra deals:**

The apple watch has got a great variations of watches in its collection and the apple's thick, and capable Watch Ultra is launching at \$799 with GPS and LTE support, in case you did not know about it let me tell you its features, this apple watch has got sensors and ruggedness of any apple watch model that is available so far. It has got 49mm case houses that gets brighter than the apple watch series 8. This apple watch has also got a long-lasting battery, and more precise GPS Tracking, and it is also loaded with sensors, that essentially turns into a swimming and diving guide. This apple watch has got you all covered, which is pretty cool, right?

In terms of this apple watch deals, it is recently seen that the Apple watch Ultra has drop to an all time low which is at \$749 at multiple retailers. However as of now it is only on sale at Amazon at \$779.99 (\$20 off in medium and large band sizes).

#### **The best Apple watch series deals:**

Well, by now I am sure that you have got a fair idea in the apple watch deals and also you can note about the apple watch series 7 deals, since the apple watch series 8 has got minute improvements, it would be advisable to go ahead with the apple watch 7 and if you want to get the apple watch 7 at a deal then you can best check it out on Amazon during apple watch deals black Friday or you can also search it up with keyword of apple watch deals series 7 on the Amazon app or the website. During the Black Friday sale Amazon offers a good amount of discounts on smart watches especially apple watch. However, you will always have other apple watch series options to consider.

The Apple Watch SE received a refresh in the late 2022. It has got the same chipset as the apple watch series 8 and it is fewer sensors and no always on-display and also it is slightly outdated as compared to the apple watch series 7

and apple watch series 8. The omissions that have been made might take the interest of the people running out on this apple watch.

The best part is that it starts at \$249 for the 40mm Wi-Fi / GPS model, which is \$30 less than the previous generation's baseline cost. At the moment the 40mm Apple watch is available at the Best Buy and Best Target which is around \$219, and is about \$30 off, which is the wearable's lowest price till date.

### **Conclusion:**

If you are someone who considers apple watch a fashion accessory and want to look stylish but by also maintaining your budget, then you can look out for the apple watch deals that I have talked about and get yourself an apple watch on a pocket friendly and convenient deal. Hope the article helped you in getting all the relevant information about apple watch.
